Discounts & S.R.P. - Effective July 20, 2009

www.fromjalisco.com

Volume discount applies to the average of number of cases (of 1 or more brands) of wine and liqueur ordered. Volume discount applies to the continue restocking as part of the initial order. For new clients the discount will be based on the number of cases of the first order. For existing clients the volume discount applies to each order or to the monthly average of number of cases of wine and liqueur ordered. The monthly average will be determined for the orders placed during the preceding 12 months.
